b) Allocation of instant prizes

12. The Swisslos Gaming System automatically assigns the instant prizes to the individual entries in accordance with defined criteria and rules.

c) Allocation of non-cash prizes

13. The winners of the non-cash prizes will be drawn in accordance with the requirements of the Swiss Lottery and Betting Board (Gespa).
14. The results of the draw are documented in a draw protocol, which will be available for inspection subsequent to a request for such.

DELIVERY OF PRIZES

15. Coupons for Swisslos Internet game credits are not cumulative and can only be redeemed at www.swisslos.ch. Coupons may be given away for free to third parties, but may under no circumstances be sold on or auctioned.

Unredeemed credits from instant-prize coupons will expire no earlier than one month following successful participation.

16. Prizes will not be paid out in cash. Swisslos may replace a prize advertised with another prize of equal value at any time.

FURTHER

17. Participants who violate and/or manipulate the Terms and Rules will be excluded from the competition. If there are grounds for exclusion, corrections may be made to the rankings and any prizes may be withdrawn (even at a later time), or any prizes paid or sent out can be reclaimed.
18. Swisslos as organizer or the agencies or partners tasked with carrying out the competition are entitled to suspend, cancel or stop the competition if it can no longer be duly carried out, especially in the case of hardware or software failures, program errors, computer viruses or unauthorized access by third parties, as well as mechanical, technical or legal problems.
19. Swisslos will endeavour to make the competition playable on all common web browsers and the latest versions of these browsers. Entitlement to play cannot be inferred if a web browser or a version of it is not supported.

Furthermore, the participant agrees to receive information from Swisslos about other lottery and betting products. This consent can be revoked at any time. Data is never passed on to third parties.

22. No correspondence will be entered into with regard to the competition. The judges' decision is final.

23. The present Terms and Rules supplement the Terms and Rules for participation via the Internet Gaming Platform issued by Swisslos Interkantonale Landeslotterie.
